Vietnam Veterans of America

Chapter 200

Ocean County

Official Start to Summer

Cookouts, fireworks and of "In 1934 Richard Byrd course a chance to wish Uncle Sam a big "Happy Birthday" – July 4th means summer is in full swing across the United States and beyond.

The U.S. national holiday has been celebrated on every continent, notes James R. Heintze. American University librarian emeritus and author of The Fourth of July Encyclopedia.

was in Antarctica at his base Little America," Heintze said.

"He and his men set off fireworks in a storm when the temperature was actually quite warm for them-33 degrees below zero [-34 degrees Celsius]," Heintze said.

Such July 4th festivities are as old as the United States itself.

In 1778, while George Washington celebrated the holiday with his troops in Princeton, New Jersey, Benjamin Franklin was in Paris, throwing a party for expat Americans and French elites.

Feting the U.S. was only part of the scene—Franklin also hoped to persuade the French to support the cause of U.S. independence.

The President's Corner

Our second canshake was very successful thanks to John Rimmer, Rich Greger, Joe Leo, Chris Wambach, collected \$695.00 in donations.

We need volunteers for the following WaWa locations. Start thinking about helping out for these Can-Shakes and Poppy give away dates. We will need help on the following

Saturday from 8:00 AM - 12:00 Noon on June 24th in Whiting. During these Can Shakes we will also hand out information Lorrie and myself, we about our VVA Chapter.

> Tom will check at Quick Chek, for other possible can shakes.

In addition to these can shakes we have the Irish Festival in September at Manahawkin. Please continue to reach out to any

Vietnam Veteran in your local area and have him/her join the Chapter or come to our meetings. We still need to touch base with the gated communities and schedule an informative brief to their clubs about VVA.

No Meeting in July! Have a safe and happy 4th. See you in August.

Report of the Memorial Day Program

Special thanks to Joe Leo, Rich Greger, Eddie Ammann and Chris Wambach. As always, Vietnam Veterans of America, Chapter 200, were the sharpest looking Color Guard at the Vietnam Wall in Holmdel at the Annual Memorial Day Program. Thank you Color Guard for making Chapter 200 stand out on this important day, where we pay thanks to those who gave their lives for our freedom. Thanks Joe, Rich, Eddie and Chris. This year, the Memorial Day program was held inside the Museum due to inclement weather. Chapter 200 had artificial wreath posted.

VIETNAM VETERANS ARMY...NAVY...MARINE... AIR FORCE...COAST GUARD

Some of us were drafted. Some of us volunteered. Some of us were infantry. Some of us were behind a desk. Some of us were on a ship. Some of us either flew or maintained aircrafts. But all of us SERVED OUR COUNTRY!! Now your fellow Veterans call out to you. Come join the Vietnam Veterans of America (VVA) Chapter 200.

Why should you join us?...Because we are the only organization dedicated to the belief that no member of any branch of the Armed Forces should ever be treated as we were upon our arrival back home. We only meet once a month. We have active and inactive members. We have experts on Veterans benefits. We have quiet members and those who love to spin a story. We are all humble. We all have memories from those years. We all have children and grandchildren who need these stories. Please join us. See attached membership form.
